UPDATE 2009

I received a very nice email from Rick Pearsall 29 Dec 2009 inquiring about the above pictures. Rick is the youngest son of Ray E. Pearsall and a grandson of Byron Pearsall. Byron Pearsall was a brother of Mary F. Pearsall Bittell, my grandmother. I mailed the originals to him and he plans on giving them to his Aunts and Uncles when they all meet next summer for the annual get-to-gather.

Also, I emailed him reports from my Legacy program for Mary Ann Dandison 1845-1930 who married Edgar W. Pearsall 1842-1892 and their 5 children. Also a report of their daughter, Ellen Eliza Dandison who married Edwin Forbush Jr. and their family, to give him the relationship to Thelma Cook, my source for a lot of the information. Another source was the 3 volumes "History of the Pearsall Family" by Clarence E. Pearsall. Also gave him the information on Higgins Book Company where I had purchased the volumes. He has purchased the volumes.
